SEPTEMBER-OCTOBER 2021

ANNUAL MEETING MISSIVE

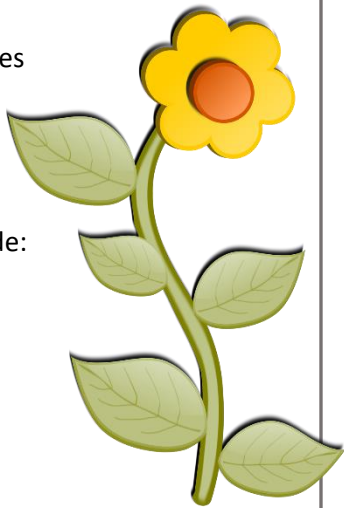

Board of Directors

Thank you to everyone who came to the Annual Meeting on July 10, 2021. It's wonderful to see everyone in person again. Highlights from this meeting include:

- Approval of Last Year's Annual Meeting Minutes
- Center Report from Friends of East Sacramento
- Annual Financial Report
- Membership Dues and Sale Rate Changes
- Fall Sale Update
- Board Elections
- Volunteer Opportunities

Clubs voted for the Board members, who include:

President	Ken Rothaus
Vice President	Jan Goehring
Secretary	Therese Ruth
Treasurer	Wendy Corby
Director	MJ Kelly
Director	Mary Schiedt

Two other director positions are vacant. We need someone to be editor of this Chat Newsletter. Also, a couple of planting beds on the perimeter of the building are available for Clubs to plant in. If you can help, please let us know.

Future Board meetings will alternate between Zoom (in even-numbered months) and in-person at the Center (in odd-numbered months). So, September's meeting will be in person at the Center; October's meeting will be via Zoom, etc. If you have any questions, please email ShepardCenter@gmail.com.

Again, thank you to everyone who participated.

thank you!

SHADOW BOXES DURING SHOWS

From Jan Goehring, SG&AC Vice President

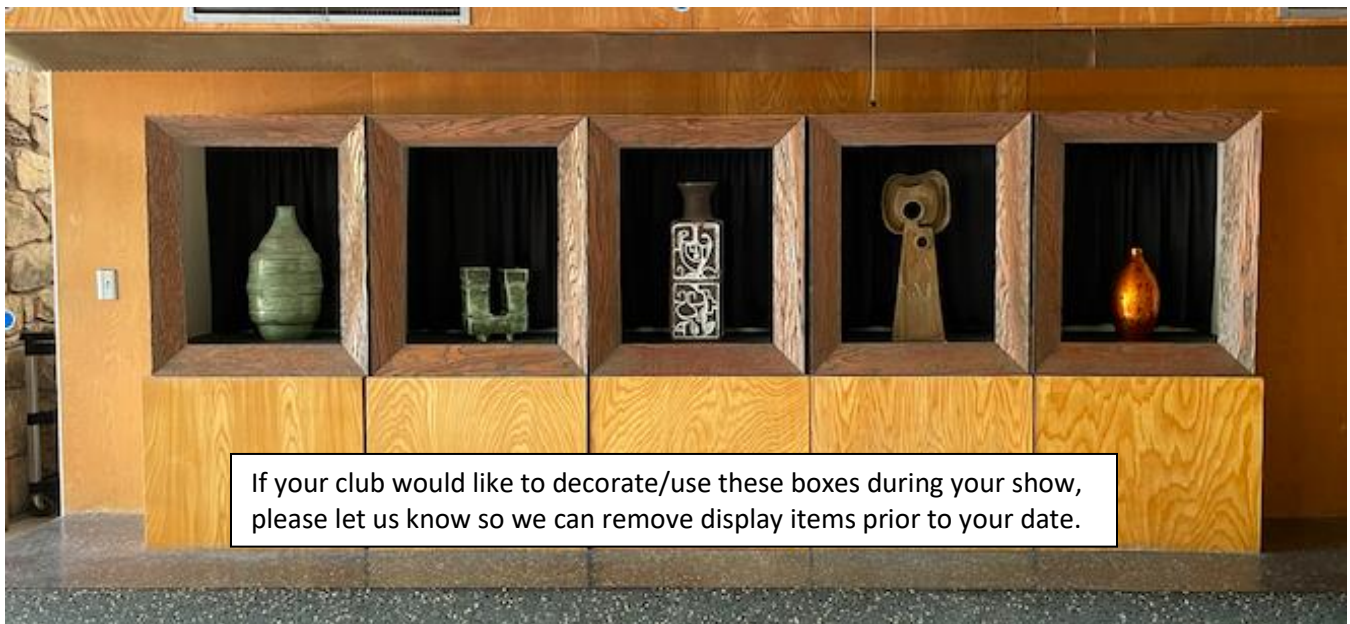

In the East Room of the Shepard Garden and Arts Center, there are niches for clubs' use. If your club would like to use the niches during a show, meeting or event, please contact Jan Goehring (jgoehring5329@yahoo.com) to make a reservation for their use at least a week prior to your needed date. When the niches are not being used by a club, they will be used to display vases/sculptures which belong to the Shepard Garden and Arts Center.

A CLEAN CENTER IS A HEALTHY CENTER

From Friends of East Sac

Club leaders - when you are having a meeting or show/sale and if you have plants, food, and beverages on the tables or cabinets, please remember to use table covers. We are trying to keep the Center bright and shiny and healthy for all our guests. Thank you!

WORKSHOP

KATSUKO THEILKE

FLAX LEAF MANIPULATION, FLAX BASKET
& MIDOLLINO WOVEN BELT

12:00 p.m. - 3:30 p.m.

SHEPARD GARDEN AND ARTS CENTER
3330 McKinley Blvd., Sacramento, CA 95816

COST: \$40.00 Registration Required

Space is limited to 20 individuals and preference will be given to Ikebana International Sacramento Chapter members

To register, contact: Ikebanasacramento@gmail.com
Masks will be required for all in attendance.

Ikebana is the Japanese art of flower arrangement. The purpose of making ikebana floral arrangements is not to create decorations. Rather, the purpose is to learn to appreciate certain things that people normally ignore. These "things" tend to be associated with nature and the beauty of the shapes of the flowers.

This Workshop is currently full, but is accepting names for the Waitlist.

BEGONIA SHOW AND SALE

Please come to our annual Begonia Show and Sale. We will have over 1,000 begonias for sale, including "painted begonias" (rex type), Angel Wings (cane-type with leaves in the shape of angel wings), rhizomatous-type, and begonias which require terrariums.

On display in our show will be locally-grown begonias and members will be on-hand to answer your questions about growing here in Sacramento. If you'd like to enter your begonia(s) on 9/17/21, please contact us at Sacramento@begonias.org for a Show Schedule and Registration Form.

We hope to see you at our Show. Our show last year was cancelled, and we're so happy to be "Together Again."
