# *Chrysanthemum Annual Plant Sale*

Saturday, May 14, 2022  
9:00 AM -3:00PM

This is a popular event and eager shoppers arrive early for the best selection and varieties. The members have grown a great selection of many of the popular varieties, including the exotic spiders, quills and the very large exhibition bloom types. The plants are not in bloom and are identified by cultivar name and color with a picture of the flower in bloom. Club members will be available to assist with your selection.

**SANDRA HATCHER**  
**WORKSHOP**  
**BEGINNER IKENOBO**

We are excited to announce our year end workshop with Sandra Hatcher, master teacher in the school of Ikenobo Ikebana. This workshop will outline a brief history and theory of Shoka shimputai followed by a short demonstration to highlight the principles of this style. Workshop attendees will each create their own arrangement. Space is limited and reservations will be on a first come first serve basis, with members of Ikebana International (I.I.) Chapter 26 having first priority.

# Yarn Bombing

From Sacramento Center for the Textile Arts

Again, this year, the SCTA group will yarn bomb at the Shepard Garden & Art Center (on the east side only). On June 7<sup>th</sup>, we will put up our creative artwork around the trees and polls. The display will remain until July 7<sup>th</sup>. You ask, "Why?" And we say, "Why not!"

The colorful displays of knitted or crocheted yarn or fiber will add color to the bare trees and make people smile. SCTA is inviting any members of the Shepard Garden & Arts Center clubs to join us. Text Gloria Robertson at 916-768-8574 if you are interested in participating with us.
