ABOUT THE EVENT:

Let's have fun, challenging ourselves and building community! Bring your favorite vase, kensan (pin frog), and floral material/flowers to the Shepard Garden and Arts Center and take home a beautiful ikebana arrangement created by a fellow ikebana enthusiast. Challenge yourself by creating an arrangement in an unexpected vase with materials selected by your peers. No experience is necessary. If you would like help, it will be available to you—just let us know at check-in. This should be a creative, great, fun-filled day for all and the best part is you will go home with an arrangement created with your favorite vase and materials!
