SEPTEMBER/OCTOBER 2022

### ANNOUNCEMENTS

Lisa Schmidt, President of Friends of East Sacramento, who manages the renting of the Shepard Garden & Arts Center, announced at the Annual Meeting on July 9, 2022, that she's retiring at the end of November. Congratulations to Lisa! We owe her a debt of gratitude for her years of service to our community.

The City of Sacramento will take over management of the building, anticipated in December. Lisa will be turning over schedules to the new City personnel. So, if you haven't yet, all clubs are urged to get their reservation dates for all of 2023 to Lisa ASAP (email to [FriendsofEastSac@aol.com](mailto:FriendsofEastSac@aol.com)).

Our Board (the Sacramento Garden & Arts Center) will continue to be the liaison between our clubs and the property manager (soon to be City staff). We will also continue to support clubs at the Center by securing group insurance, providing audio-visual equipment, WiFi, and Zoom access, and coordinating the Fall & Spring Sales.

We hope to have further information about this transition at the upcoming Board meetings (see box of events at right for dates). All Clubs (through their club representatives or other designee) should attend these monthly Board meetings to participate and to stay up-to-date on Center business.

**HIGH HAND NURSERY**

**3750 Taylor Road**

**Loomis, CA 95650**

An element of Ikebana is to appreciate the beauty of what nature offers. What better way to observe this phenomenon than to grow it yourself; taking the time to nurture and witness nature unfold through the changing seasons.

Come, meet new/old friends and discuss your options with like-minded individuals. Be inspired by the beautiful nursery displays and enjoy lunch in the cafe's glass atrium. After meandering through the nursery, we will meet to have lunch in their cafe; sharing space and building community by enjoying friendships through flowers.
